Snowmobile rescue:

Who is responsible?

by Jerry Grozelle

County council members weren't enthusiastic about supporting (financially) snowmobile rescue units within Haliburton County. Most councillors who expressed their thoughts about the issue felt that the provision of this type of emergency service should be the responsibility of the provincial government. They agreed that ambulance services should be handling such emergency situations.

It was noted that ambulance personnel have been instructed not to venture far afield to retrieve injured accident victims.

Kate Reid, speaking on behalf of the working group which has been set up to study snowmobile rescues, appealed to county council for support in implementing a program aimed at snowmobile rescues. She told council that over the past three years there have been at least 32 snowmobile related accidents to which local fire departments have responded. Most of those were concentrated in Sherborne, Stanhope and Monmouth townships.

In the past, members of the public or volunteer fire fighters provided transportation for ambulance personnel, using their own snowmobiles to get to the scene of an accident.

Reid quoted a Ministry of Health directive, which states, "Responsibilities do not lie with the ambulance service personnel as we do not carry the necessary equipment nor have we received the appropriate training for these types of situations. Our responsibilities lay in patient care alone."

"The current operator (Ministry of Health) is not willing to obtain the necessary training, whatever that may be, and we understand that equipment, be it

(more on page 5)

Santa Claus was welcomed to Minden in grand style Saturday with one of the most colourful parades this community has seen. Included in the parade were these young ladies dressed as the Christmas favourite, poinsettias, on the Kawartha Dairy float. Waving to the crowd are, from the left, Abby Crowe, Alyssa Crowe, Paige Brown and Jessica Brown. Also taking part in the float were Kelsey and Sterling Crowe. For more photos from this year's parade see page eight in the Hometown Christmas section of this newspaper.

New doctor joins Lions Medical Clinic

Another doctors has signed at the Minden Lions Medical Centre.

According to centre manager Daryl Moore, Dr. Ken Hedges of Washago has signed a three year contract with the clinic. He will start seeing patients on Monday December 9. The clinic has started booking appointments for Dr. Hedges.

The doctor is the second new family physician to join the clinic staff this year. His arrival will formally remove the designation for the community under the provincial Govern-

ment's Under Services Area program. The community was designated underserved last year when the area was left with one full-time physician, Dr. Bennett Wu. According to the province three full-time doctors are required to meet the needs of the permanent population.

According to Moore, while the community has lost its underserved area designation, the clinic in co-operation with the Community for Physicians will continue to search for additional medical staff for the clinic. He said the

office could support at least two more family physicians.

In this regard, members of the committee and the clinic attended a number of job fairs recently at McMaster University in Hamilton and Queen's University in Kingston. At the two medical school the representatives had an opportunity to speak to senior medical students in attempt to interest them in setting a practise in Minden. While the effort did not yield direct results, those who participated in the job fairs felt it provided a good opportunity to "sell"

Minden to the students. "There were a number of individuals who expressed an interest in the area," Moore said. "Hopefully, when graduation time draw closer they will take a serious look at settling in our community."

Dr. Hedges joins Dr. Wu and Dr. Judith Smith who started at the clinic in July. Dr. Maurice Smith continues to practise at the clinic on a part-time basis.

(A profile of Dr. Hedges will be featured in The Times in the near future.)

ASES breakfast program starts in new year

by Andrew Milne

A breakfast at school program will be underway at Archie Stouffer Elementary in the new year.

The program is an initiative of the ASES school council, and will be conducted in cooperation with organizers of the charity Foodreach, who will help with acquiring the food.

Organizers are planning to be ready to feed 75 to 100 children per day, three days per week.

Carol Cox, of the school council, says the initiative follows research by ASES' guidance councillor which suggests there is a need for the program. And, along with educators across the US who have called for such programs, she says ASES sees this need, in part, because it is very difficult to teach hungry children.

Says Cox, "You know how you feel when you're hungry," she says. "It is hard to concentrate. It gets hard to think... And [guidance councillor] Maureen Bennett's survey shows that teachers are seeing some hungry children in the classroom."

Cox says the council reviewed breakfast program at nearby Ridgewood Elementary School in Cobocok, and that the program there seem to have had a very positive impact. Based on Ridgewood's numbers, she says, the council can also guess how many children can be expected to use the program.

Says Cox, "We won't really know until we get going, but by the percentage of the population they have at Ridgewood, and from the survey, we're looking at maybe 75 to 100 children using the program per day... Some

kids might just be coming for the idea of it, but you can't tell kids they can't come. So we're just saying if you're hungry, come to the breakfast club."

Cox says Ridgewood's experience with the program encourages her.

"They've had lots of community support," she says. "The seniors really jumped in to help with volunteering... We haven't seen as much of that yet here, but maybe once it gets going we will."

Shirley Bayley-Jones of Foodreach also says that based on their experience in similar areas, it seems likely ASES' students will have use for the program.

Says Bayley-Jones, "We've been working in North Victoria County, and it's a lot like Haliburton — high unemployment, high social service use. And we live in the area, and we see the need here first hand."

Long-term solutions

Foodreach is also organizing a discussion

group intended to find more long-term and constructive solutions to problems related to poverty and hunger in the area. Bayley-Jones says she hopes local people will be able to come up with local solutions.

Says Bayley-Jones, "Food banks aren't the solution. They're for emergencies. We'd like to get people working on something better... So we're looking at alternative solutions — perhaps a project like a community

kitchen or a cooperative... But people have to get together as a community, assess what their needs are, and what we can make work."

Bayley-Jones, who trained as a nutritionist, says the need seems to have become particularly pressing in recent months, due to government cutbacks to social service agencies.

Says Bayley-Jones, "We're really busy. Our volunteers are working very hard, and there's al-

ways lots to do. We actually have to cut it off at some point, say this is as much as we're doing."

Foodreach can be reached at 1-800-826-3871, or at 454-9818. Bayley-Jones says they would like to hear from anyone with ideas or interest in the problem.

MapleFest '97

Maple Fest will be back bigger and better in 1997.

The first event, in late March and early April of this year, was such a success that organizers are planning to expand for 1997.

Bill Beatty of Beatty's Sugar Bush, north-east of Haliburton Village, attended the November county council meeting to outline plans for the coming festival. He said he wasn't looking for money, but instead, wanted ideas and council member participation. He also asked if free space could be provided for such events as puppet shows and other attractions.

Beatty told council the organizing committee is planning a variety of attractions to suit every taste. Committee members hope to get all parts of the county involved.

The 1997 Maple Fest is scheduled for March 28 to April 6.

Food bank bill a little more than expected

by Jerry Grozelle

An invoice from Easton's Valu-mart in Minden resulted in considerable discussion at the Anson, Hindon and Minden council meeting November 28.

Council had agreed to pay \$300 toward rent (heat and hydro) of a unit in the Valu-Mart Mall to house the Minden Food Bank and Clothing Depot. The bill was for \$1,200, which would include next year's rental for two units.

Since the Food Bank/Clothing Depot opened about a year ago, the need for services have resulted in expansion to an adjacent unit.

Council members all agreed that essential services are being provided. The discussion centered around the surprise bill for \$1,200, when council had budgeted \$300.

"They are doing a tremendous job," Anthon said, adding, "Twelve hundred dollars is a lot to find when we have budgeted for \$300."

Deputy-reeve Jerry Rome noted that council is dealing with public funds, adding, that the municipality doesn't have money in the budget for an extra \$900.

Councillor Daryl Moore asked if the services were restricted to residents of Anson, Hindon and Minden. He was advised that there was no such restriction and that people from adjacent municipalities often use the services of the Food Bank/Clothing Depot.

Moore then asked, "have neighbouring municipalities been asked to contribute to the operation of the services?"

No formal request for support has been sent to any adjoining municipality as far as any member of council was aware.

Reeve Jeanne Anthon said she would be surprised if any taxpayers would object to a small portion of their

taxes going to support the Food Bank.

"We're not in a position to budget \$1,200 for this," Moore said.

Council passed a resolution agreeing to pay \$300, with the balance to be taken into consideration with the 1997 budget deliberations.

Council intends to contact representatives from the Food Bank, Clothing Depot and Valu-mart to make sure that any future changes which would affect the cost to the municipality are discussed with council before any action is taken.

Recycling tender

A tender submission by Garbutt Enterprises of Minden for the provision of recycling services has been accepted by Anson, Hindon and Minden council.

Garbutt's quote for rental of fibre and can bins was \$14 and \$10 less per month, respectively, than the nearest competitor. Garbutt, however, could not justify the cost of providing a recycling bin at the Ingoldsby landfill site for four month per year. Muskoka Containerized Services is willing to provide a bin at the Ingoldsby site.

Garbutt will also pick up cardboard and deliver it to Bracebridge for \$350 per load.

New loader

Public works superintendent Clayton Cameron received the go-ahead to purchase a new Case loader for the municipality. Anson, Hindon and Minden had budgeted for a new loader in 1997, but the unit owned by the municipality developed engine problems. Repairs would require a complete overhaul, costing \$10,000.

Councillor Sinc Nesbitt noted that in his experience, when a major breakdown of this nature occurs, it

is usually the beginning of a long string of repairs.

"If you fix the engine, the transmission will be next and the expenses will continue to go up and up," he said.

Cameron contacted several suppliers and obtained quotes on a machine that would fit the municipality's needs. The most attractive quote was from Case Farm Equipment which offered a new unit of the required specifications for \$116,000. The Municipality would be given \$21,000 for the old loader (as is) as a trade-in.

It will take a few weeks to have the loader delivered and in the meantime, the Case dealer has offered to lend the municipality a loader, at no charge. That would eliminate any concern that a major snowfall couldn't be dealt with, should that occur before the new unit is received.

Cameron said that the dealership would hold the invoice until after the end of 1996 so it could be dealt with in the municipality's 1997 budget.

Pledge supported

A private member's bill, introduced in the federal House of Commons by Guelph-Wellington MP Brenda Chamberlain will get a letter of support from Anson, Hindon and Minden council. The Bill, if passed, would establish an official pledge of allegiance to the Canadian Flag.

"While many versions exist, there is no official pledge in Canada," Chamberlain stated in her correspondence to council.

"It seems very American to me," said councillor Grant Plooard.

"But I like it," replied councillor Sinc Nesbitt.

"I was intrigued by it," said deputy-reeve Jerry Rome.

"It shows patriotism," councillor Daryl Moore said.

Reeve Jeanne Anthon agreed with the concept as well.

A resolution to send a letter of support was passed by council.

Education finance reform

Anson, Hindon and Minden council members agreed to respond individually to the Village of Blyth request for support regarding the transfer of education taxes from property taxes.

Correspondence from Blyth council updated the situation, noting that the provincial government is considering removing education taxes from residential property owners. However, businesses and commercial taxes would continue to be assessed with school taxes.

Blyth is very much against saddling businesses and commercial properties with education taxes, saying, "our businesses need the relief from this burden as much as anyone" and noting that businesses provide employment for Ontario citizens.

Minden's community Christmas tree got a trimming Friday afternoon as students from classes at Archie Stouffer Elementary School made the trek downtown to hang hand made ornaments on its branches. Before heading back to the school, the students formed a giant circle around the tree and led by teacher Kathy Adams, filled the air with songs of the season.

Buckslides trail proposed by Stanhope council

Stanhope municipal council has announced it intends to create a public hiking trail on municipal land along the Boshkung River. The area is commonly known as Buckslides, the ribbon of land where water drains from Kushog to Boshkung Lake.

The location is a scenic area where the water slips over a series of small steps from the one lake to the other. The start of the Buckslides is visible from the Boshkung Lake Road and while the

water course is on a municipal road allowance, recent cottage development in the area has created confusion as to the boundary between public and private land.

The announcement of the creation of the public trail was made at the November 13 meeting of council. It appeared to come, to a certain extent, in response to a request from one of the property owners to purchase the municipally owned road allowance.

The application drew six letters of protest from township residents who objected to the proposal. The letters mentioned that some property owners along the Buckslides had erected barriers and verbally harassed individuals who had visited the site.

Reeve Jock Mavor told the meeting he had visited the location and found a number of obstructions, including fences and pile of brush blocking access to the public land. He said that a fence

had been erected almost to the water's edge.

Councillor Jim Hicks also toured the Buckslides location and found what he described as a sizeable deck built onto one of the cottages in the area that he believed extended onto public property. According to Hicks, the deck had been constructed without a building permit. He suggested the Ministry of Natural Resources should be informed and that the council should consider some form of legal action regarding the building violation.

A notice of motion was then tabled for the next meeting of the council, indicating that there would be no further consideration of the request to purchase the road allowance and that the obstructions on the public land had to be removed within 30 days. The notice of motion also indicated that the township intended to create a hiking trail on the public portion of the road allowance. The trail will be built next year.

Hicks said the Buckslides has always been a popular spot in the township. "I enjoyed the area with my children and want to ensure it is still open to be enjoyed by my grandchildren," he commented. He seemed to be particularly upset that visitors to the area are being subjected to verbal abuse by adjacent property owners. He also noted that signs placed in the area, indicating it was private property, had not been erected by the municipality.

Representatives of adjacent landowners were in attendance at the meeting but offered no comments.

(A letter to the editor regarding the issue appears on page 9 of this week's edition of The Times.)

It is not that often in life a student gets an opportunity to plaster one's principal with a cream pie. Such was the case Friday when the students at Archie Stouffer Elementary School marked the end of their fund-raising magazine subscription sales drive. To mark the success of the effort, Principal Peter Forgrave agreed to be the target. With the pie right on target, Daniel Scott appears somewhat taken aback by the consequences of his actions.

County asks for direction on snowmobile rescues

(from page one)

appropriate clothing, helmets, etc., is available," Reid said.

She pointed out that the policy is locally, not provincially mandated.

"It was put in place to protect the health and safety of ambulance employees in high risk situations," Reid said. "What we have been hearing from the ambulance employees is that patient care is their job and patient care includes appropriate assessment of the injured person before they are moved, stabilization, preparation for transport and then transport out with the assistance of fire personnel."

The working group is suggesting that three Snowmobile Rescue Units (SRUs) be placed strategically in the county. Each SRU would consist of a snowmobile capable of towing a sleigh, an appropriately designed sleigh and a double trailer.

The estimated cost of an SRU would be a minimum of \$12,000. Reid said the working group has entertained the possibility of approaching corporate sponsors for the snowmobiles.

"If we were to only consider the cost of the sleighs and (used) trailers, in my estimation, a total of \$6,000 would cover the three units. She pointed out that the cost of such items as insurance, maintenance and training for the team members would add to expenses.

Reid asked council to write a letter to the Minister of Health, with a copy to MPP Chris Hodgson, stating what the situation is in Haliburton County and requesting ministry assistance to resolve it. She also asked

council to consider taking the project on as a county initiative.

The concern was raised that volunteers didn't join their respective fire departments to be rescue personnel, with the accompanying responsibilities.

"I'm opposed to taking on something that should be the responsibility of the Ministry of Health," said councillor Jock Mavor.

"This shouldn't be our problem," said Warden Murray Fearrey. "And if it is our problem, there should be some financial support attached."

Councillor Eleanor Harrison said that once such a policy is set locally, it could very well become a "thou shalt" situation, whereby the province mandates what equipment must be obtained, at the local taxpayers' expense.

Councillor Doug Holman stated that snowmobilers generate \$648-million in Ontario.

"Licence fees have been increased from \$15 to \$25, for which they get absolutely nothing," he said. He suggested that some of the licence money could be used to fund training and equipment for ambulance personnel.

Council plans to send a very strong message to the Ministry of Health requesting that proper legislation be enacted to provide the necessary training for ambulance personnel to perform snowmobile emergency services.

Province helps with ice/water rescue training costs

by Andrew Milne

Stanhope Township has received a grant from the province to help fund its ice and water rescue program.

The grant will pay for \$2,400 of the \$6,000 Stanhope has allocated to the program.

Stanhope received the news just last week — in the wake of its final decision to begin training fire fighters to perform

Big Brothers, Big Sisters host hypnotist

Big Brothers and Big Sisters of Victoria-Haliburton are sponsoring the Paul Royter Hypnotic Comedy Show at Lindsay Collegiate on December 9 and 10.

Audience participation is the key to the success of the show. The results are always unpredictable and often hilarious. This is the fifth year Big Brothers and Big Sisters have brought the show to the area. For an evening of good fun and family entertainment, while supporting a very valuable non-profit agency, contact the Big Brothers and Big Sisters office at 705-324-6800.

"It is obvious by the way tickets are selling so quickly, that this is a form of entertainment that the public thoroughly enjoys," said Dianne Austin, executive director of Big Brothers and Big Sisters of Victoria-Haliburton.

the rescues — a decision that precipitated a difficult debate over the program's costs and merits.

Councillors opposed to preparing the fire department to do the rescues have based some of their opposition on the costs involved. Councillor Murray Daniels and deputy-reeve Eleanor Harrison in particular say the program costs too much for a municipality under pressure from recent budget cuts, and that doing the rescues should not be a municipal responsibility.

Reeve Jock Mavor, however, who made ice and water rescues a plank in his election platform, has responded that someone has to do the rescues. The fire department volunteers, for their part, also seem more than willing, provided they are properly trained and equipped.

The funding, says Mavor, does take some of the sting out of the costs, and that makes him happy.

"It certainly helps, absolutely... It was one of these fundings that was on again, off again, and we didn't really know if we were going to get it or not. We couldn't assume we were going to get it. So it came through at a very appropriate time."

Stanhope council briefs

Busing policy left to school board

Items from the November 13 meeting of Stanhope Municipal Council:

Busing policy

A request for support of a resolution from the Township of Glamorgan was rejected by Stanhope council. The Glamorgan resolution suggested that the new busing policy of the Haliburton County School Board was creating a hazardous situation which would result in increased liability for the townships. The policy states that school buses will not make door-to-door pick ups in rural areas and students are expected to walk up to two kilometres to meet the bus at designated pick-up points.

The Glamorgan resolution said the new policy will affect the value of property along rural roads and discriminates against those living in the rural areas of the county.

The council agreed, by consensus, that while the members understood the concerns of the Glamorgan councillors, the school board is responsible for setting the policy and is currently attempting to deal with the reduction in provincial funding. It was noted that the board has agreed to re-examine situations where serious hazards exist, but that it was a problem which the board must resolve.

Dock leases

The municipality has agreed to pass on a portion of the increase in dock leases announced recently by the federal government. The federal charge for the three locations at Little Hawk and Big Hawk lakes has jumped from \$100 per year to \$500. The council will increase its charge to local businesses to \$150 per year and pay the remaining \$50.

Don't sell TVO

The council has sent a letter to Ontario Premier Mike Harris asking the province not to sell the educational television network, TV Ontario.

Reeve Jock Mavor told the meeting that he appreciated the quality, commercial-free, non-violent nature of the TVO programming. Noting his British heritage and the tradition of public broadcasting in Britain, he said he feared the sale of the TVO system would result in the loss of a valuable service to the province.

He did point out that off-air reception of the service should be improved in the county so that all residents have access to the signal.

The endorsement of the resolution was unanimous. The council also agreed to circulate the resolution to other municipalities in the county for their support.

Soccer success

Members of council expressed their satisfaction with the success of the soccer program held this past summer in Stanhope. According to a report given to the councillors, 74 youngsters took part in the program this year with enthusiastic support from parents, coaches and organizers. It was noted there was even a waiting listing of youngsters eager to become involved.

It was also pointed out that the program was operated at no cost to the municipality.

The township agreed to have the roads department grade the playing field before winter sets in, so the pitch would be in good shape for the start of the program next summer.

Dump access

Anyone bringing construction waste material to a

Stanhope landfill site will have to have a certificate attesting to the fact the material does in fact come from a property within the municipality.

The council endorsed the action because other municipalities in the county are charging for the disposal of construction waste. Concern was expressed that waste from outside the municipality would be brought to Stanhope sites.

Contractors working on property within the municipality will be issued a permit to be signed by the property owner. The permit identifies the contractor and attests to the fact the waste is in fact coming from a Stanhope Township property. Use of the authorization form will begin February 15.

Metal recovery

Harding Metal of Minden has been given the contract to collect metal from the Stanhope landfill sites. The company agreed to provide a container for the scrap material. At the moment, all scrap metal should be taken to the Maple Lake dump, although a pick-up could be provided, during the summer months, at the Pine Springs dump.

Cellular phones

The council also agreed to provide landfill site attendants with cellular phones. The need for the phones was suggested following an incident at one dump recently when a group of individuals arrived at a dump and started firing a gun. The shooters left the scene before police arrived, however the license number of the vehicle was noted and relayed to the authorities.

It was noted that it is illegal to discharge a firearm at a landfill site. It was also suggested that 'no trespassing' signs be erected to give the site attendants more authority in controlling activity at the dumps.

Editorial

Once again the authorities in Haliburton County find themselves between the proverbial rock and a hard place as far as rescue services are concerned. Earlier this fall they debated whether fire fighters in Stanhope Township should be trained to perform ice and water rescue. On a close vote, the council endorsed taking the first steps in that direction.

During the discussion leading up to that decision, it was noted that one of the main attractions of the Haliburton Highlands is its many lakes and rivers. And, in fact, hundreds of thousands of dollars are spent each year encouraging individuals to come here to share the beauty and recreational opportunities of these natural resources. Having said, 'come and enjoy', we have a responsibility

to ensure that we have the resources and skills to respond to emergencies on water and ice.

The same arguments stand for winter recreational activities including snowmobiling. The Haliburton County Snowmobile Association has done an admirable job in creating a 500 mile (plus) trail network. Again, hundreds of thousands of dollars have been spent to encourage people to choose the Highlands as their snowmobiling destination. Resorts, lodges, restaurants and just about every other business in the Highlands are touched by the economic impact of snowmobiling.

It seems however, that somewhere along the line it has been forgotten that having invited people here for winter recreation, we bear some responsibility for their well-being and safety. Included in that duty is the ability provide an

emergency infrastructure that recognizes that there will be need, from time to time, to come to the rescue of an individual far from the well travelled roads.

While the need has been identified, there is a reluctance on the part of anyone to assume the responsibility. As county council pointed out at its November meeting, it is time for the province to identify where that responsibility lies and to provide the resources and training to enable it to be carried out. If that direction and those resources are not forthcoming, the only sensible course would be to post every entrance to the county with warnings outlining the limits placed on our rescue services and that individuals venturing out on snowmobiles, skis or on foot do so at their own risk.

Where is the justice?

Editor:

Does Mr. Harris realize what has been done to our health care system?

My husband suffered a stroke on November 14. I can't thank our Minden Hospital enough for acting so quickly. Dr. Lowers called ahead to Peterborough at approximately 7:30 a.m. to advise the specialist that my husband had suffered a stroke and was being sent to Civic Hospital by ambulance. He arrived at approximately 9:30 a.m. and the doctor arrived at 5:30 p.m.

The nurses are run off their feet and don't have the time to spend with each patient.

Are we saving money here, not lives? Right Mr. Harris, where is the justice?

Ellen Holden,
Minden.

Educators question Tory actions

Editor:

Recently, educators have been given another reason to question the actions of the Tory government. In the news, we have just heard that Canadian students achieved just above average in international math and science tests. I know that this concerns some people and that is fair. However, I encourage you to remember that mere statistics do not tell the whole story.

That aside, the disturbing news is that amongst Canadian students, Ontario students did not fare well. This is the more important issue which educators agree must be addressed. I am sure that in consultation with educators and government, changes could be implemented to address this shortfall. However, without consultation, the Education Quality and Accountability Office (EQAO) recently established by the Tory government, has stated in the media that their solution is to ensure that every new applicant to Faculties of Education have university math and science courses. Will this mandate help a Grade Two

teacher explain addition with regrouping? The answer is no! But more emphasis on these subjects in our faculties of education will. I also ask what this says about English, history, music, art and all the other important subjects that make a well rounded person? We should not measure a student's achievement or ability to "make it in the world" by his or her math mark.

Parents and teachers should be questioning our programs and the results continually. We should take pride in the many successes and continue to make changes where the results are less than satisfactory. Schools, parents and government working together, not against each other, is more likely to bring results of success.

Are the businesses supporting the Tory government insisting on better results in math and science? We don't hear mention of encouraging our young people to protect and improve the environment, to become good leaders or speakers, to bring beauty to a troubled world through art or music or to

(from page 8)

work with their hands in fields where they can help their neighbours and communities. We all know and admire wonderful people who can not attribute their success in life to a high score in math and science.

Our communities need people with varying talents, skills, visions and academic backgrounds.

I cannot agree with the direction that the EQAO office, the Secondary Reform papers or the Harris government is leading us.

I hope you will watch the upcoming television presentation outlining the viewpoint of many parents concerning the recent changes to education. See the advertisement in this paper listing dates and times.

Garbage woes

The following is a letter sent to the municipal council of the Townships of Anson, Hindon and Minden:

I am writing this letter regarding the rules and dumping fees of our landfill sites.

I am a taxpayer who lives here year-round. I pay to have my garbage picked up at the end of my driveway. I use the landfill site maybe once or twice a year.

When I go I have a white card, but need a green card, or have a green card but need a white card. I can get a loan at the bank easier than I can deposit my garbage, (if you get my meaning).

When I phoned to get a white card, I was told it would cost me \$25 because I missed

Will Stanhope accept the liability?

Editor's Note: The following is a letter sent to the municipal council of Stanhope Township regarding the decision to establish a public hiking trail at Buckslides.

I am writing this letter on behalf of my son Daniel and daughter Erin Lynch who are part owners (in trust) of property abutting. The unopened road allowance over which the proposed public hiking trail will pass.

They have a number of concerns with this proposal, mainly to do with liability. Should this land, directly in front of a cottage that has been so located for 40 years, become an open public trail who will assume liability. I can assure you they will not. If my daughter is sunbathing or swimming while transients have free and total access, I believe she could be at risk. Children, either my own grandchildren or

guests could likewise be exposed to potential undesirables in virtually their front yard.

There have been many cases of vandalism to public property in the county over the years. Is council willing to assume liability to private property made newly accessible by council's decision to create a public hiking trail within feet of my children's cottage?

In addition to this very large liability issue, we question why it is proposed to use the north side of the Boshkung River, past a cottage, when the south side of the river is vacant. Logic would seem to dictate to use a route least intrusive to tax-paying citizens.

This brings us to an additional point---a hiking trail within a few feet of my children's cottage will reduce the value of the property greatly. If there is no reduction in property taxes to correspond, they will

(more on page 10)

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

the card in my final tax bill and so was not current.

Seeing as the garbage I wanted to take was plastic bags to be recycled, which I now put out with my regular garbage to be taken to the landfill site...it's a shame.

I have talked to others who say they live in Minden Township, but pay to go to Dysart landfill sites because of all the rules and regulations we have but even worse, I see leaves and garbage being dumped on the side of the road.

I think it would be wise if you became current and took another look at your landfill rules and fees.

Trish Simpson,
Minden

Was there a lawyer on Gilligan's Island?

Trivia time, folks. What springs to mind when I throw the following pair of words at you?

Gilligan's
Island

Wow! A damburst of memories, right? Your brain explodes with an Aladdin's Cave of TV reveries. You see a desert island...palm trees...and seven castaways about as different from each other as human beings can get. There is the professor and the skipper and the prissy Mary Ann and the sultry Ginger and of course, dopey Gilligan himself, with eyes like golf balls, staring out from under that ridiculous cloth hat....

There's one other thing you remember too. You remember that Gilligan's Island was on the air for your entire youth. Forever, practically.

Well....not quite. Believe it or not, Gilligan's Island only lasted for three seasons. There were exactly 98 original episodes of the show. And they all aired between 1964 and 1967.

Of course, that's not counting reruns. If you count reruns, Gilligan's island has been on the air more times than Elizabeth Taylor said 'I do'.

I'll tell you a few other things you don't know about Gilligan's Island

- Gilligan's first name was Willie.

- The castaways' less-than-fabled craft, the SS Minnow, was not named after the diminutive, immature fish of that name. It was a thinly disguised slap in the face of one Newton S. Minnow, a TV executive who was loathed by Sheldon Schwartz, the creator of Gilligan's Island.

All of which should lead you to the conclusion that I am some kind of a Gilligan's Island Trivia Nut. That distinction belongs to Robert Jarvis, who, when he isn't watching re-runs with names like *St. Gilligan and the Dragon* or *Love Me, Love My Skipper*, can be found teaching Maritime Law at Nova Eastern University in Fort Lauderdale, Florida. Like most middle-aged, middle-class North Americans, Professor Jarvis grew up watching Gilligan's Island, but he watched each episode with the sense that something was....missing.

After some years of meditation, Professor Jarvis realized what was missing.

There were no lawyers on Gilligan's Island.

Well, then the Professor did what any

self-respecting lawyer would do under the circumstances. He set out to prove that through complicated reasoning and interminable evidence there was a lawyer on the island. According to the diligent and painstaking Jarvis--who watched all 98 episodes with a yellow lined legal pad on his knee--the absent-minded professor Roy Hinkley actually had a law degree among his many academic honours--he just forgot to mention it on air. Jarvis points out that in one Gilligan's Island episode--*Court Martial*--the castaways set up a mock court with the professor presiding as a judge.

As I say, Professor Jarvis' evidence is all circumstantial and for me, about as convincing as O.J.'s defense. I may not have watched all 98 episodes of Gilligan's Island, but I watched enough shows to conclude that Gilligan's Island lacked a great many things. It had no urban sprawl, no traffic jams, no air pollution, muggings, swarmings or income tax. Gilligan's Island had no Newt Gingrich, no Lucien Bouchard.

And it had no lawyers.

Hell, why do you think millions of TV viewers fell in love with Gilligan's Island in the first place?

Keeping in touch from Malaysia...

From: Joe de Mora[SMTP:mora@pc.jaring.my]
To: mindentimes@halhinet.on.ca
Subject: Greetings from Barbara Brown in Kuala Lumpur in Malaysia

I grew up in Minden and my Mom, Dad, Marg and Claude Brown, brother David and sister Laurie are all still active and enjoying Minden. I just moved to Kuala Lumpur and am enjoying the heat. I just found your web site and find the design and the ease in using it great. I will be keeping up on the news every week now, home doesn't seem so far away now. If you see Marg or Claude say hi!

Thanks.

Barb Brown

...and Osoyoos

From:kathy@ftcnet.com[SMTP:kathy@ftcnet.com]

To: mindentimes@halhinet.on.ca
Subject: So nice, so very nice....

Greetings from Osoyoos British Columbia. I just received my October 28 edition yesterday and I want to commend you all on one very fine newspaper. I always enjoy flipping through the pages of *The Times*, but this week something caught my eye and motivated me to comment....

Having been away from Minden for many years now, I am always pleased to see something on the folks that I know or went to school with. This week you had a birthday announcement. Immediately I recognized Jill with her beautiful shiner and knew the photo was from grade one. (quite some time ago!) Our class photo from Lutterworth School (no longer even around) has Jill smilin' and the black eye shining with her.

It brought back lots of memories of my younger days in Minden, and made me appreciate what a great community it is. Times have changed and technology is moving us into the next century at a faster pace that many of us can handle. However, the "Times" still reflect the small town pride and the community spirit that lives in my memory. Thanks for giving my week a lift....and happy birthday Jill!

Kathy Stiver
formerly of Halls Lake.

Who accepts liability?

(from page 9)

definitely appeal their taxes.

A final note: It seems strange that this proposed trail was announced with no prior notice or warning to the abutting property owners. Up to this point, we have proceeded in good faith with council and township to follow the requirements necessary to buy back an envelope of road allowance around the cottage. We have paid for survey work and waited month after month --I believe the process to date has been ongoing for over a year. Now, this sudden resolution with 30 days to respond. Is this a fair, unbiased process. We do not think so.

I am writing this letter from outside of Haliburton County as I learned of council's decision just before I left. In view of council's actions, I felt it was best to respond immediately.

In closing, may I ask, who's interest is council serving? Certainly not the general public. We will be watching your actions very carefully.

Sharon Lynch,
Haliburton.

HHSS Redmen in four-way battle for first place

by Jerry Grozelle

The Haliburton Redmen moved to one point out of first place in the Kawartha High School Hockey League with a 5-3 win over the Thomas A. Stewart Griffins November 26 in Peterborough.

The Redmen have nine points, one behind the Crestwood Mustangs and Fenelon Falls Falcons, who are tied for first.

The Redmen jumped to a 2-0 lead by the middle of the first period with goals by Andrew McKelvey and Matt Galbraith. McKelvey was set up by Jeff Wray and Bill Dovell, while Galbraith was assisted by McKelvey and Dennis Woods.

The Griffins rebounded with two of their own a couple of minutes apart near the end of the first period, but Haliburton took a 3-2 lead with 1:15 left on a goal by Dovell. Woods and Chris Moynes assisted.

McKelvey padded the HHSS lead to 4-2 with the lone goal of the second frame. Galbraith and Dovell set that one up.

TAS closed the gap to 4-3 less than a minute into the third and remained within striking distance until Wray scored the fifth goal for the Redmen with 9:38 remaining in the third.

The key to Haliburton's success against the Griffins is discipline, according to coach Ron Yake.

"They kept their heads and it paid off with three power play goals," Yake said.

"The team is improving with every game," Yake added. "Everyone is giving 100 per cent effort."

Yake credits the team veterans with a strong effort, accounting for most of the scoring punch.

Goaltender Ashley Walker picked up his fourth win of the season.

"He controls things around the net and doesn't allow many rebounds. His goals-against average is below two," Yake said. "He really helps the defense."

Yake says the team defense is playing better positional hockey than it did at the first of the year.

"The first two or three games they were getting caught out of position," he said. "That puts a lot of pressure on the goalie. They are playing better posi-

tion now and they are gaining confidence with every game. We'll be a team to be reckoned with as the year goes along."

The St. Peter's Saints, of Peterborough, are close behind the Redmen in the standings, with eight points. The Griffins are next with five points. The Norwood Knights have three points, followed by the Weldon Wildcats of Lindsay, Kenner Rams, Peterborough Collegiate Raiders and Campbellford Flames with two

points each and Adam Scott Lions with one.

Three Redmen, Mark Hughes, Dennis Woods and Andrew McKelvey are in the top 10 of the scoring race. All have six points. Hughes has three goals and three assists while the other two have two goals and four assists each. Greg Luck (2 and 2), Nick Kulas (2 and 2) and Bill Dovell (1 and 3) and Matt Burk (0 and 4) are also among the top 25 points-getters in the league.

Eastern Ontario Sectional competitors

The Minden Skating Club was well represented at the Eastern Ontario Sectional Championships in Ottawa recently. Kerri Matysek, Erin Turner and Jasmine Wilson (front, left to right) and Cheryl Ripley and Laurie Turner (standing left and right) competed at the event.

Bobcaygeon and Haliburton bow to Minden attack

Atom A Monarchs win two more

Minden's OMHA atom Monarchs played two games on November 23, winning both contests.

A league game, against Bobcaygeon, saw the Monarchs come out with a hard-fought 6-5 win in Minden.

The Monarchs jumped to a 4-1 lead in the first period, with two of those goals coming in the last 19 seconds of the frame.

Minden added two goals in the middle frame, with one Bobcaygeon reply.

The visitors started down the come-back trail in the third, notching three unanswered goals, but the last marker was scored with nine seconds left in the game, too late for Bobcaygeon to reasonably hope for a tie.

Ryan Vaters paced the Minden attack with a hat trick. Evan Kernohan contributed to the win with two goals and one assist. Kevin Walker added a goal, while Justin Horsley and Philip Greer notched two assists apiece and Lance Aggett and Kolt Smith had one

helper each.

Minden 14, Haliburton 1

An exhibition game in Haliburton saw the Monarchs roll over the Huskies by a 14-1 score. Minden scored six in the first period, four in the second and four more in the third. Haliburton's lone reply was in the middle frame.

Philip Greer was the sharpshooter of the game, scoring five goals and adding three assists. Justin Horsley and Kolt Smith each added a hat trick. Horsley had a pair of helpers and Smith had one. Mark Fisher scored twice and added a pair of assists and Ryan Vaters scored once and assisted on two more. Lance Aggett had five helpers, Matt Allore had three and singles went to Evan Kernohan and Chad Carpenter.

Matt Roberts was the lone Haliburton marksman, with an unassisted goal that spoiled Minden goalie Ryan Cole's shutout bid.

Win and loss for Tri-County Novices

A win and a loss were added to the Minden Tri-County novice Monarchs hockey team record recently.

The Monarchs played host to Bobcaygeon on November 21, handing the visitors a 9-2 defeat.

By the middle of the third period the Monarchs had built an 8-1 lead. The two teams exchanged goals in the last four minutes for the 9-2 final score.

Mark Fisher was the top gun for Minden, scoring four goals and assisting on one more. Steve Draker picked up four points with two goals and as many assists. Travis Walker notched one goal and three assists. Kolt Smith had a goal and one helper and Sherri Walker netted one goal. Mac Campbell helped the winning cause with a pair of assists, while John Petch, Tyler Anderson and Jake Ruddy each had a single assist.

Wilberforce 9, Minden 5

The Monarchs weren't as successful when they went to Wilberforce November 24. Although the Monarchs led 4-3 at the end of the second period, Wilberforce rocketed past Minden in the third frame, outscoring the visitors 6-1 to grab the victory.

Mark Fisher was the top sniper of the game, scoring all five of Minden's goals. Three were unassisted. One was assisted by Jason Loughheed and Sherri Walker and the other was set up by John Petch.

Rocky road for Pee Wee B Monarchs

by Paul Lowe

The road this year for the Minden Monarch peewee B team has been a rocky one. With great fortitude, however, they rush on.

There was a thaw that snapped a losing streak on November 9. That was when the hometown Monarchs skated away with a decisive 3-0 shutout over Fenelon Falls.

Jordan Campbell had an outstanding game, assisting on all three Minden goals. Newcomer Kyle Aggett netted his first goal of the season. James Bleakley contributed to the winning effort, notching two goals.

More recently, the peewee B Monarchs took to the road for a game against the Flames at the Ops arena. Two players absent with a variety of ail-

ments left the Minden bench extremely short.

A strong effort by Jordan Campbell resulted in Minden's lone goal. Graham Neave also played a strong game. Ryan Porter showed signs of improvement and Mark Snell played another strong game. Other contributors included Steve Johnson and Dustin Howard.

The game ended with Ops in front by a 4-1 margin.

Some of the many golfers who took part in the end of the season banquet at Rudy's Restaurant were, from the left, seated, Shirley Howse, Gerry Palmer, Jean Heckel, Kathy Purc, Carolyn Pawson and Pat Norman; second row, Pat Woodcroft, Joan Hooper, Kelly Moore, Kirsti Reynolds, Teddy Stuckless, Sandy Cole and Michelle Allore; at the back Rawn Brown, Ann Mills, Cathy Snell and Julie Petch.

Women golfers celebrate 1st season

The fledgling Haliburton Highlands Womens Golf League boasted a membership of 117 in its first year (1996). League members played golf at Blairhampton, Beaverbrook and PineStone golf courses.

A banquet was held at Rudy's in Carnarvon recently to celebrate the end of a successful first season. A total of 64 members attended the party. Special guests were Doug and Margery Kirkham. Doug is the golf pro at PineStone and he was instrumental in the formation of the league.

Kathy Purc and Kelly Moore organized the league. They advertised a meeting at PineStone and were pleasantly surprised with the interest.

"There definitely was a need (for a ladies league)," Purc said. "About one third of the members were brand new golfers."

The membership reflected the whole range of experience on the links.

Prizes were awarded each week, with the rules to qualify for a prize ensuring that all members, regardless of experience, had the chance to win.

Purc said the first season was a learning experience. An annual meeting is planned for next year,

probably near the end of the season, to elect a league executive.

The league won't be completely disbanded because the golf courses are closed. Purc says meetings will be held about once a month throughout the off-season to firm up plans and discuss new ideas for the 1997 season.

Purc says 15 new members have already been signed up for the 1997 season.

"We can accommodate many more members by using two of the three golf courses each week instead of one each week as we did this past year," Purc said. "We would still rotate (courses) each week."

Purc invites anyone who is not a current member but is interested in joining for the 1997 season to do so now by contacting her, Kelly Moore or Joan Hooper so they can be kept informed of activities and schedules, which will be developed over the winter months.

"All levels of players are welcome, from beginners to advanced," she said.

For more information, contact Kathy Purc at 286-1213 or Kelly Moore at 286-3958.

Minden hosts playdowns

The Ontario Ladies Curling Association (OLCA) Seniors Ladies Regional Playdowns were held at the Minden Curling Club, with Pat Woodcroft acting as host.

The Flight A winning team was skipped by Jill Greenwood from the Humber Highlands Curling Club.

Flight B winning team was skipped by Merle Williams of the Avonlea Curling Club.

Both of these teams advanced to the CIBC Provincial finals.

Coming Events

The Ontario Curling Association (OCA) Senior Men's Regionals will be held at the Minden Curling Club on December 7 and 8. Spectators are welcome to catch the action.

J.O. Jackson Memorial

Skips, now is the time to sign your team up (if you haven't already) for the J.O. Jackson Memorial Men's Bonspiel. This 16-team event will be held on December 27. It will feature three six-end games. Contact Murray Cooper (286-2615), Stan Dutka (489-2005) or Doug Brown (286-4380).

League play

Following are the results from the past week of league play at the Minden Curling Club:

Monday Night Ladies

(November 18)

Pat Woodcroft 11, Diane Whitmarsh 2

Dana Kinsman 6, Nancy Garbutt 5

Cheryl Murdoch 7, Kim Wood 5

Tuesday Night Men's

Jim Garbutt 5, Gord Wood 5

Bill Milford 11, Bill Bonner 4

Huskies put bite on Mighty Mites

The Haliburton Huskies got a measure of revenge when they played host to the Minden Mighty Mites November 24. The Minden team won the first game between these two teams, but the Huskies came back with a 10-4 victory in the second encounter.

Haliburton led 5-1 at the end of the first period and 7-2 after two.

Tanner Graham and Michael Toye were the Minden marksmen with two goals each. Toye also picked up an assist on one of Graham's goals. Jared Mills notched three assists, Stephen Kerr drew two assists, while Brent Doiron and Dean Hutchison had one apiece.

Jesse Stoughton paced the Haliburton attack with five goals and two assists. Scott Griffith added a pair of goals to the Haliburton tally and singles went to Daniel Sisson, Nathan Woodcock and CJ Clarkson. Sisson added five assists.

Bob Pollard 10, Dwight Thomas 2

Howard Scott 6, Paul Prentice 4

Sino-Haliburton ties cemented at search & rescue conference

Members of the Haliburton County Search and Rescue organization recently attended an international conference in Dartmouth, Nova Scotia in early October. Eight members of the local group were on hand for the gathering.

Kathy Chatterton, spokesman for the group, described the conference as absolutely fantastic. She said the gathering gave them the opportunity to meet with similar groups from around the world, to compare search and rescue techniques and learn about the latest in rescue technology.

Eight people from the local volunteer organization attended. Seminar topics included man-tracking, evidence searches, use of GPS (Global Positioning System, a location system) and a workshop on critical incident stress. There were teams from all over the world attending the conference including representatives from China, Spain, South Africa, Sweden and from across Canada.

Before the conference ended, the Haliburton County group and the team from China formed a partnership to exchange ideas and information. The informal agreement was sealed with the exchange of community pins and other mementoes.

Eight members of the Haliburton County Search and Rescue organization attended an international conference on search and rescue techniques in Dartmouth, Nova Scotia, in October. Seen here with delegates from China, are Jim and Kathy Chatterton, Jeannie Griffin, Len Foster, Peter Shepherd, Gloria and Goldie Foster, and Patti Devine

Hamilton notches 11 points in KDD romp over Hartwick

by Jerry Grozelle

Scoring was the name of the first game of the Minden Men's Hockey Association schedule November 25 as Kountry Double D bombarded Hartwick Construction 16-7.

It was all KDD in the first period, taking a 5-0 lead into the second. The middle frame ended with Hartwick trailing 10-4, KDD doubled Hartwick 6-3 in the third.

Scott Hamilton led KDD to victory, scoring a double hat trick plus one and adding four assists, for an 11-point night. Craig Crowe and Greg Hurre added two goals and three assists each. Charlie Teljeur notched two goals and two assists. John Hewson scored two goals and assisted on one and Curtis Reynolds netted a goal and two assists. Dwayne Warburton picked up three helpers, Paul Walker had a pair and Greg Carpenter notched one.

Ivan Ingram was in on six of the seven Hartwick goals, scoring two and assisting on four more. Andrew Burk was close behind with two goals and three assists. Jason Stamp notched one goal and a pair of helpers. Wyatt Nesbitt added a goal and one assist and Glenn Hall scored one goal. Bern Berry, Jarrett Campbell and Jeff Howe each picked up one assist.

Westside 6, Home 3
Game two was tame by comparison to the evening's opening game. Westside Jug City doubled Home Hardware 6-3. Westside built a 4-1 lead in the first frame and

remained in front 5-2 after two periods. Each team scored once in the third.

Jamie Dollo accounted for half of the Westside goals, scoring a hat trick. Jeff Black, Craig Phillips and Gord Wood were the other marksmen, with one each. Black also picked up two assists, as did John Teljeur. Ben Manuge, John Ballantyne, Darrell

Gilbert and Kent Taylor contributed one assist each to the win.

Mike Keaney netted two of the Home hardware replies and Dean Sisson was the other sniper. Scott Brodie and Joe Sullivan each had one assist.

The Minden Men's Hockey Association plays two games every Monday evening, starting at 8 p.m.

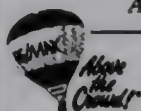

Comfortable home with air, centrally located in McKayville, Minden - double lot - brick patio - nice view.

You will fall in love with this sun- and family room - pine lined - Mexican tile floor, vaulted ceiling with skylights. Relax in the glow of the evening sunset. Must be seen!

Kinmount Legion celebrates 50th Anniversary

VISITING DIGNITARIES: Several dignitaries joined officials and members of the Kinmount branch of the Royal Canadian Legion to celebrate the branch's 50th anniversary on November 23. Pictured above are, front row, left to right: Beryl Gilmore, Ladies Auxiliary president Joyce Hughes, June Haynes, Mabel Fittsell, Shirley McGrath, Chair and first vice-president Bernice Owens and Branch 441's first woman president Eileen Sienko. Back row, left to right: Guy Scott, charter member Norman Gilmore, Somerville reeve John Huke, District F commander David Haynes, deputy zone commander Don McCumber, charter member Reg McGrath, Victoria-Haliburton MP John O'Reilly, branch 441 past president Arthur Owens, District F padre Reverend Sid Home, Zone commander Stan Fittsell.

John McGrath Branch 441

VETERANS: Several veterans were on hand to help celebrate the Kinmount Legion's 50th anniversary. Among those present for the occasion were, front row, left to right: Norman Silver, Helen Byne, Dick Morgan, Earl Hartin, Norm Gilmore, Bill St. Thomas and Joe McNamara. Standing, left to right: Bob White, Mark Lockyer, Edwin McDonald, John McMahon, Bruce Hill, Arthur Owens, Stan Fittsell, Reg McGrath, Ralph Schroter, Clarence Mitchell and Eric Steams

A brief history

In the early months of 1946, a group of veterans who had just returned from World War II gathered information on the procedure to form a branch in Kinmount. The Charter was granted on November 16, 1946 as the "British Empire Service League." The organization's name was changed to "Royal Canadian Legion" in 1960.

The Kinmount Branch was named after John McGrath, who was the first man from Kinmount to join the Armed Forces. He was also the youngest to join, and the first to die.

John's parents, Thomas and Phyllis granted permission when they were asked if the Kinmount Branch could be named in honour of their son. The original Kinmount Legion was a converted schoolhouse. A decision was made in 1954 to construct a new building. The current structure was completed in 1957 and the mortgage was burned during a special ceremony in 1965.

50th Anniversary Committee

Eileen Sienko, Ruth Colpitts, Norman Gilmore and Bernice Owens (left to right) were the organizing committee members for the Kinmount Legion's 50th Anniversary celebrations.

Be alert to potential holiday hazards for your pets

by Dr. Kimberley Joyce, DVM

With holiday festivities quickly approaching, one must remember the winter dangers for pets. Winter, in all its beauty, can be a deadly time for cats and dogs.

Automobile anti-freeze solution is a sweet tasting potent toxin. A tiny amount will poison a dog or cat. Death can occur within 30 minutes after swallowing; kidney failure will occur within 24-72 hours. There is no treatment for kidney failure.

IF YOUR ANIMAL HAS SWALLOWED ANTI-FREEZE, CALL YOUR VETERINARIAN IMMEDIATELY.

There is no time to waste. With emergency therapy there is hope. Sierra Club is an environmental group that has produced a pet friendly anti-freeze. Please consider buying this product in the future. Until then, top up your anti-freeze at the gas-station. Do not spill anti-freeze at home.

Chocolate

With holiday cheer usually comes chocolate treats. Chocolate is toxic to cats and dogs. Following ingestion, the animal may experience vomiting, diarrhea, muscle tremors, and possibly seizures, coma, or death. Call your veterinarian directly if you believe your pet has consumed chocolate. Rapid treatment can be lifesaving.

Cold

Frostbite and hypothermia threaten every outdoor animal. Tissue exposed to prolonged freezing temperatures is in danger of losing its blood flow and subsequently dying. In extreme conditions, animals can die of hypothermia within six hours. Young or poorly nourished animals are most vulnerable. Ear tips, tails, footpads, and external genitalia are frequently frostbitten. If you suspect your animal to be suffering from hypothermia or frostbite, call your veterinarian immediately. Do not rub the affected areas as this will harm the fragile tissue. Protect your pets with proper shelter and nourishment this winter. Keep your animals dry.

Finally, please keep in mind that tinsel and ornaments attract cats and dogs. Pets of all ages have been known to swallow very unusual things during the holiday season. Tinsel and string-like objects can seriously damage an animal's digestive tract. Small balls and sharp objects can create a life or death situation when lodged in the throat or belly of an animal. Signs of foreign body ingestion include

vomiting and/or diarrhea, with or without apparent discomfort. If you suspect your animal has swallowed a foreign object, call your veterinarian.

Cherish the holiday season and play safe. Provide your treasured companions with sensible treats and try to keep a regular schedule. Enjoy!

Wishing you health and happiness - Kimberley Joyce, DVM.

Jody Reid: checking in from Belgium

Hello from the Land of Waffles and Chocolates:

Belgium, which has been my home for the last 12 weeks has already provided me with many opportunities to experience Belgian life and culture as well as travel around parts of Europe.

I live in Jupille, a suburb of Liege and go to school close to the centre of the village. My host family, the Bemelmans, are really great. In my host family there are my parents as well as a host brother and sister. They are all really nice and have helped me grow accustomed to the Belgian way of life and, more importantly, helped me immensely with French.

My French is coming along and having a conversation is no longer a difficult task. I am starting to read books in French and watch movies in French. I saw Independence Day and had no problem understanding it but my host brother insists that my French did not have to be that good to understand it. Anyway, my French/English dictionary which was a constant companion for the first while, is now being used less and less.

I have already had the chance to do quite a bit of travelling in my short stay in Europe. With my host parents, I have gone to many places around Belgium including the capital, Brussels, picturesque cities like Ghent and to the Belgian countryside where they have

a summer cottage. However, my travels have not been confined within Belgian borders. We have also travelled to Maastricht in The Netherlands, Montjoie in Germany and recently, during a week of holidays from school, we went to Paris, France.

The Rotary Program here is great as well and have many planned weekends and activities for the 250 exchange students who are spending their exchange year in Belgium. We have already had great weekends at military camps and in the country but the most memorable was a day trip to London, England.

All my travels have been terrific especially Paris and London. Having

the chance to see everything from the Eiffel Tower and Notre Dame to Buckingham Palace, Big Ben and London Bridge.

School is going well. I have found the school system different here and the students are much more serious about their studies. I am currently taking ten courses which is normal for the students here. I start each morning at 8:15 a.m. and school finishes at 4 p.m. I have not found school more difficult or stricter here. However, at school there are no sport clubs, music clubs or drama clubs.

I enjoy playing volleyball with a provincial team in Liege. Currently we are third in the province.

My experiences so far have been terrific.
a bientot,
Jody

Happy 90th birthday Peggy!

Family and friends gathered in the auditorium of Hyland Crest on November 23 for a special occasion. The day marked the ninetieth birthday of long-time Minden resident Peggy Pettinger. In addition to the many visits, cards and messages of congratulations, the occasion was topped off with a traditional birthday cake. Husband Ed joined Peggy for this birthday photo.

8. The best place to be for Christmas. EHMO.

Answers: 1. Red and Green 2. Wreath 3. Sleigh 4. Stockings 5. White 6. Lights 7. Eggnog 8. Home

CORPORATION OF THE
TOWNSHIPS OF ANSON,
HINDON AND MINDEN

NOTICE OF PASSING OF BY-LAW NO. 96-48

TAKE NOTICE that the Council of the Townships of Anson, Hindon and Minden passed By-law No. 96-48 on the 28th day of November, 1996, pursuant to Section 4 of the Development Charges Act, R.S.O. 1990, as amended.

AND TAKE NOTICE, that written comments may be forwarded to the Minister of Municipal Affairs and Housing.

The purpose of the amendment is to provide for the deletion of the expiry date contained in the Development Charges By-law.

The effect of the By-law amendment is to comply with the changes to the Development Charges Act, as introduced in the Land Use Planning and Protection Act.

The land affected by the amendment includes all the land within the Townships of Anson, Hindon and Minden.

A copy of the complete By-law is available for review at the Municipal Offices during regular office hours.

HIGHWAY #35 SOUTH • MINDEN • 286-4698

Around the County Town

by Gord Graham (call 286-6506--FAX 286-3460)

We welcome the Kinmount Railway Station bid euchre players to this column. Seniors meet there every second Monday at 1:00 p.m. so plan to join them next on December 9th. Results of last week's fun and games had Bernice Taylor coming in first, followed by Ida Young. Moonshots went to Don LaCombe, Les Robertson, Jean Clayton and Freda Boyce. Hidden score by Inga Wassell.

A reminder that our friends in Carnarvon present the annual Christmas in Carnarvon musical concert this Wednesday, December 4, starting at 7:30 p.m. at Zion United Church.

St. Paul's Friendship Club met last week for euchre and Edna Trumbull had the lone hand while Nancy Gayton held the high score. Pearl Cowen won the 50-50 draw. Plan to join them every Mon-

day at 1:30 p.m. They would love to have you.

Everyone is invited to attend the Christmas Around the World presentation of the Minden Bible Church's Kid's Clubs, 6:30 p.m. at the church.

Club 35, which is 9 km north of Carnarvon, meet each Monday evening at 7:30 p.m. for euchre. Partners are not needed and everyone is most welcome to join in. Last Monday Jean Randell won the most lone hand category while Bev Hunt slipped out with the 50-50 draw. High scores went to Olive Daniels and Harry Randell. Other prizes were distributed to Edith Russell and Ken Wallace.

Winners at the Gelert card party held November 26 included: Ralph Schroter with most lone hands; Joyce

Schellenberg high woman; Reita Crofts low woman; Bill St. Thomas high man; Bruce O'Brien low man.

Our Lady Of Fatima Catholic Church, Highway 35 and Main, Minden, is having a Christmas luncheon in their hall on Friday, December 6 from 11:00 a.m. to 2:00 p.m. Soup, sandwiches, goodies, tea and coffee will be served. Baked goods will also be available.

Results of the contract bridge played last Tuesday in the Stanhope Library were first Jim Irwin, second Morris Hansen and third Dorothy Strype. They welcome new players and old friends every Tuesday at 1:00 p.m. Partners are not required.

Bid euchre played last week in the Minden Legion by the seniors had Walter Ackerblade coming in first, Ken Young second and Shirley Elcome third. Bill Menard had the hidden score and Ken Young took the only moonshot. They meet every Tuesday at 1:30 p.m.

Bid euchre was also played last Wednesday in the Stanhope Firefighters Hall and Marion Hill felt good with her score of 281. Close behind was Marion Irwin with 279 followed by Barb Robitaille 277, Pat Scadden 256, Don Burch 251 and Jim Cowan 241. Everybody is welcome to come out and join the fun every Wednesday at 7:00 p.m.

Euchre is played every Thursday at 7:15 p.m. in the Minden Legion. On Thursday, November 21 the most lone hands prize was won by Barb Kenneth and Jim Bradbury. The high scores were given to Pat Roussel and Murray MacKinnon while the low scores went to Jean Scadden and Jack Chilton. Other prizes were won by Truman, Kay, Helen and May.

And we received this report from the Sunshine Sisters:

On November 22, 23 ladies enjoyed the annual Sunshine Sisters Christmas Pot Luck lunch at Lorelea Country Inn.

Several new members were made welcome and it was suggested we meet again the second Wednesday in April when we will each bring a new member.

The Sunshine Sisters were brought together years ago by local ladies to welcome any newcomers to the Carnarvon community area.

Shirley Wallace was thanked for keeping the group together the last couple of years.

Nelda Culley, Dianne Thomas and Elaine Kleinschmidt are the 1997 co-concerns. The food was gourmet--the entertainment hilarious and the auctioneer left the auction table bare.

Karen Cummings was Mrs. Santa and distributed the gifts and this time we found out who our surprise sisters were.

We look forward to seeing some new faces in April.

Holiday greetings to all.

Stew causes traffic jam at Staanzworth Court

Residents of Staanzworth Court decided the best way to greet the cold weather was to partake of a sumptuous beef stew dinner. Our expert resident cook prepared the meal...and it was enjoyed all day as aroma filled the halls and caused traffic jams. We all thoroughly enjoyed the meal and know how lucky we are to have Dorothy in our midst.

At the conclusion of our dinner, a special draw was made for a special "tie-down quilt". The blocks for the quilt were donated by May Minto whose grandmother made them quite a few years ago. Jean Cowen assembled the blocks into a quilt, aided by Audrey Trumbull and Carrie Vasey in tying

down the blocks. The ladies all remembered using this method in years gone by. The quilt was won by Carrie Vasey and she is going to donate it to the local museum. The evening ended with the showing of an entertaining video on the antics of various animals.

Our "rowdy" evening is still at the dart board (and surrounding wall). Hot shot players are rewarded with a star and the top of the list is Margaret Horsley, Brad Trumbull, May Minto and Floyd Pogue. Scorekeeper Mabel Trodd deserves the biggest star.

Do we agree? The future is the time when you'll wish you'd done what you aren't doing right now.

CARDS OF THANKS

THANK YOU

To our five wonderful daughters and their families for the lovely supper with cake and ice cream. Also for the beautiful gift on the occasion of our 50th Wedding Anniversary.

To all those who sent cards and good wishes, your thoughtfulness is much appreciated. Thanks also to the County of Haliburton for their congratulatory plaque.

Edward and Rhoda McKelvey.

Once more I was truly blessed with friendship, best wishes and the support of many friends at a surprise dinner party hosted by the Dormans, Wallaces and the Thornes at Lorelea Country Inn, assisted by Darlene Johnston and Dawn and Jay Mole. A delightful surprise was seeing my daughter and granddaughter among the guests. Lots of stories from friends left behind eleven years ago were sent with them and enjoyed by all. My appreciation to Harry Davis, Jack Spencley and Al Dorman for their kind words and presentation on behalf of all.

With warmest wishes for a great festive season with friends and family, again, many thanks.
Elinore K.

This 50 thing isn't so bad after all, especially when you have so many friends to help ease one into the next half century. Thanks to everyone who took the time to make the transition as painless and public as possible, especially The Times staff.
Jack the Elder, now

AT REST

THOMPSON Archibald Sholto

Peacefully at home in Toronto on November 22, 1996 in his 87th year. "Archie" was born in Nassau in the Bahamas and came to Canada as a teenager to complete his schooling. He became an accountant and had a long career with the Woolworth Company. A visitor to the Highlands for over fifty years, Archie built the family cottage on Big Bob Lake in 1956. He dearly loved the countryside and spent as much time as possible at the lake. He will be missed by his neighbours and many friends in Minden.

Archie is the beloved husband of Margaret. Dear father of Harvey and his wife Gwen, Tom, Susan and her husband Greg Pyke and Jim, all of Toronto, Bill and his wife Lois of Victoria, B.C. and Doug and his wife Kim of Gull Lake. Loving Grandfather of 14 grandchildren and one great-grandchild. A family service was held in Toronto on November 25th.

IN MEMORIAM

JOHNSTON, Glen - In memory of a loving friend who left us suddenly December 5, 1989. *Remembering Glen is easy We do it every day Missing Glen is a heartache That never goes away. Kind and gentle thoughts of you every day Your light will continue to show the way. No longer in our lives to share But in our hearts You are always there. Sadly missed and never forgotten,*
Bev, Wendy and families.

JOHNSTON, Glen - In loving memory of a dear son and brother who left this world suddenly December 5, 1989. *Our lives go on without you And nothing is the same We have to hide our heartache When someone speaks your name Sad are the hearts that love you Silent the tears that fall Living our lives without you Is the hardest part of all. You did so many things for us Your heart was kind and true And when we needed someone We could always count on you. The special years will not return When we were all together But with the love within our hearts You will walk with us forever. Dearly loved and sadly missed forever,*
Mom, brother and sisters.

ALTON, Leslie - In memory of Leslie who passed away December 6, 1991. *Five years have passed Since Leslie was called To be with the Lord In Heaven above. From all his family As a husband, father, grandfather He cannot be replaced By any other. Sadly missed by Lillian, daughter Kelly, Don, Shane, & Nathen.*

AUSTEN, Edna - In loving memory of my wife Edna who passed away December 8, 1988. *Your presence we miss Your memory we treasure Loving you always Forgetting you never. Your loving husband Jack, sons Murray and Bill and all the grandchildren.*
